MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 13 to Contract No.  
AF33(600)-37821 with [REDACTED] (SC-991),  
Project IDEALIST and Air Force

25X1A

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 6.

2. Contract No. SC-991 provides for the services of necessary personnel to assist in installation, training of Government personnel, operation, service and repairs to equipments previously delivered to the Project and FOG under Contract SC-990. The contract also provides for the repair and modification of six D-Racks for OSI. Amendment No. 13 has been drawn to extend the period of performance through 30 June 1963 and to provide additional funds for the extended period subject to the availability of funds for this purpose during the Government's Fiscal Year 1963. Also the amendment reduces the FY-62 funding.

25X1A

[REDACTED] should be  
FY-1963 IDEALIST  
should be obligated to cover this requirement. This amount represents approximately half the required funding for FY-1963. Payments made to the Contractor from the "Common" funding should be charged 100% IDEALIST/0% Air Force. By concurrence to this memorandum the Comptroller signifies that the obligation from FY-1963 funds has been noted and will be recorded when funds become available and that the FY-62 Funds have been liquidated.

4. The services and equipment being procured by this Amendment No. 13 are in furtherance of the FOG Program, the nature of which cannot be publicly disclosed for security reasons. The undersigned Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC-2122, signed by the DDCI on 25 October 1961.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

6. Concurrence in Amendment No. 13 to Contract No. SC-991 is recommended.
